

## **Crane Training Schools Tukwila**

Crane Training Schools Tukwila - Our various Mobile Crane Operation programs are intended for skilled operators who require certification or re-certification, and for inexperienced individuals who are looking for their very first job as a crane operator. Business demand for certified crane operators is high all around the country. Positions for crane operators are high because of their high rates of pay. Crane operators are among the highest paid of whichever heavy equipment operator.

Our Crane Operator training provides instruction for a variety of mobile cranes. Course content comprises Crane Set-up, Wire Rope, Lift Planning, Load Dynamics, Rigging, Signaling and Load Charts.

The Crane Training School program is suitable for supervisors, operators and riggers. Course materials comprise a manual and informative hand-outs. The illustrated safety manual consists of 100 to 250 pages, which depends on the course, of helpful and important material. Course materials comprise load exercises and load charts for the crane with which the individual training is working.

More than half of the course includes Hands-On Safety Training. Practical training is helpful for developing and increasing personnel skills levels. Just licensed journeyman crane instructors are selected to teach the courses. Our instructors have numerous years of business experience.

For all the course we provide, we can include optional testing mechanisms to customize your training. A test for skills is normally administered for programs which include H.O.S.T. People training will be tested and graded.

**Certification Training Programs:** Fixed and Swing Cab Mobile Hydraulic Cranes; Lattice Boom/Crawler Cranes; Articulated Boom/Knuckleboom Cranes; Rigging / Signalperson Certification and Training; In-The Seat Training and Testing & Certification.
