

Genie Forklift

Genie Industries prides itself with the concept of lifting individuals and resources higher, extending beyond the products they design. A global company that is deeply connected to their clients and enjoys reflecting the spirit of relationship with all they accomplish. Genie Industries strives to help clientele erect their business no matter how large or small the scale of undertaking may be.

The introduction of the Genie Hoist in 1996, a pneumatic, portable material lift initiated the beginning of Genie Industries. A series of aerial work platforms and additional material lift trucks followed to satisfy customer demand. These modern goods secured global recognition and established contemporary product design.

Now, Genie Industries is a subsidiary of the Terex Corporation. Among their highest priorities are to assemble and maintain foremost quality manufacturing and unbending level of support and service. With clients from Dubai to Dallas and Hong Kong to Helsinki requesting the distinctive blue coloured materials lift trucks on the jobsite, the company is securely planted in their exceptional customer values and service. Acknowledging that their clients are their greatest inspiration, the team at Genie Industries are individually dedicated to providing expertise and maintaining customer rapport.

The dependable staff is dedicated to greener, more environmentally sensible solutions to advance the products that customers want. Genie Industries focuses on "lean production" practices in order to help minimize waste while producing very high quality lift trucks in the shortest time period at the lowest possible expense for the customer. The staff at Genie Industries is proud to serve the industry and this is reflected in every invention they manufacture. Always welcoming client input enables them to produce and develop progressive new products that are simple to service and use, deliver optimum value-for-cost and meet worldwide standards. Thriving on consumer criticism helps Genie Industries to continually evolve and meet the consumers' requirements.

Genie's service specialists are readily accessible to provide solutions to the queries you may have in order to keep you fully operational. Their expansive components network will promptly send components to guarantee their customers' machines are running effectively. Every product comes backed by a competitive and reliable warranty.

Genie Industries prides itself on consumer success. They build and service their products to boost performance and uptime on the job. Offering on-going instruction opportunities, to marketing support to adaptable financing options, Genie Industries gives their customers the resources to get the most out of their investment.
