

## **Nissan Forklift**

Nissan Motor Co. Ltd prides itself on attaining complete client contentment when enjoying one of their car, truck or forklift products. They are fully committed to providing high value and detail-oriented quality values to their clients. Incorporating a prosperous heritage combined with resilient production principals, Nissan lift trucks offer a few of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide wishes of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to delivering consumer support, the company has four independent production facilities that permit them to continually adapt to their clients continually evolving needs by offering an array of progressive ideas and concepts.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a staff of 350 personnel, they are committed to the design, manufacture, and support of their forklift products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to maintain environmental accountability by using systems and processes that reduce their environmental footprint. These high standards remind clients that Nissan operates under the quality seal that their customers require while being an environmentally responsive company.

Nissan is fairly convinced that any of their customer's questions and client concerns directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally endorsed sellers or even visiting their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their warmth and dedication.
